Hi Dear Parents!

This week's topic was 'Winter Clothes'. Our first aim is to tell what are we wearing, the relationship between our clothes and the weather.

We started to learn new words as

'SOCKS, BOOTS, SCARF, HAT, GLOVES, JACKET'

♥How is the weather today?

It is cold! I am wearing a hat.

It is snowy! I am wearing gloves.

Games and Activities:

Favorite Game ♥

Match the Cards: We put the clothes flashcards on the floor, there are two of each clothes. First, we observed very carefully where do they sit and turned the cards over. Kids came to play the game one by one and tried to find the matches by turning 2 cards at the same time.

Arts and Crafts Activity:

We draw hat and gloves, painted them with our favorite colors, cut them and prepared winter accessories for ourselves.
